About

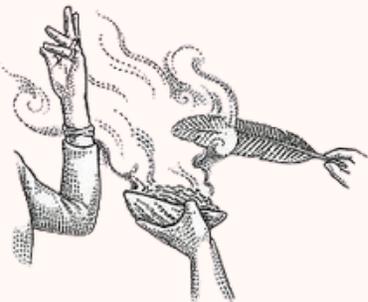

The Stoney Nakoda Adult Treatment Center offers a 90-day, live-in, holistic program. It is an 18 bed facility on Mini Thni land preferred for band members of Stoney Nakoda Nations - Mini Thni, Eden Valley and Bighorn.

Mission

Recovery on our own land, in our own way... for a new start. The SN-ATC provides a structured program of holistic, safe, intensive, client-centered, voluntary, and culturally based live-in treatment services.

Vision

To create a therapeutic community while building capacity for sobriety, healing, wellness, and self-determination.

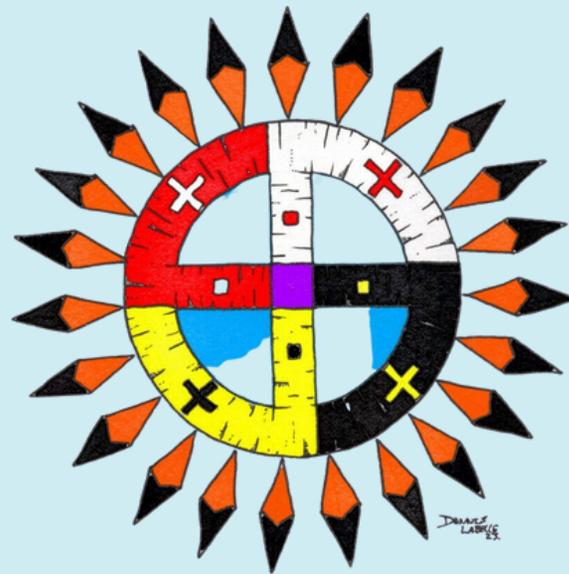

Values

Access: There is “no wrong door” for our nations members. We will ensure that they are either able to enter treatment, or, they are referred to other services, as needed.

Excellence: Our treatment services reflect current supported and referred-to evidence-informed and wise practices in the spirit of continuous improvements to ensure optimal quality of services for our clients.

Holistic, Person-Centered Care: We are committed to supporting each person’s physical, mental, emotional, and spiritual health and we will work together on their recovery in a culturally safe environment.

Admission Requirements

- Self referred.
- Referred by a health care professional.
- Admitted with physical limitations, space constraints permitting.
- On opioid replacement therapy (ORT) and/or psychiatric medications at the time of admission.
- Priority extended to band members of Stoney Nakoda Nations - Mini Thni, Eden Valley and Bighorn.
